

## **Course Title\_\_ Introduction to Fundraising**

### **Course Outline**

Include short description of the course.

A basic introduction to Fundraising for local youth and childrens groups -  
Who, What, Where,When, Why and How.  
An opportunity to look at the key aspects to successful funding applications

### **Course Content**

Detail the methodology of course delivery i.e. handouts, slides, exercises etc.

Flipchart sessions looking at fundraising ideas – Agreeing what to fundraise for,  
Small group discussion on types of fundraising; Handouts etc  
Looking at relevant sources of support and publications.

### **Course Aims**

Outline the aims of the course.

- To have gained a broader understanding how funders operate
- To have identified possible ways of developing a local youth and childrens work groups programme through securing additional funding funding
- To have related the course learning to participants own practice setting

### **Learning Outcomes**

On completion of the course participants will have...

- Explored potential funding application ideas with colleagues
- Developed more realistic expectations about approaching funders
- Received advice and support about how to develop a funding application for their own group
